Move to Zero is Nike’s journey toward zero carbon and zero waste to help protect the future of sport. We exist to serve athletes everywhere and that’s why we’re on a mission to help ensure a healthy planet. For us, there is no finish line.

NikeTeam.com will now display a sunburst logo next to products made with sustainable materials. Look for this logo Sustainable Materials to find products made with at least 50% sustainable materials by weight, exclusive of trims. Sustainable materials include recycled polyester or organic cotton.

Recycled polyester reduces carbon emissions and waste. Organic cotton is grown without synthetic fertilizers and with less water than conventional cotton.
